Scaffold Marlborough Ltd
PO Box 616
Blenheim

Attention: Lyndon Robinson

Dear Lyndon

Service and Reliability

We have been making use of your company for a number of years now for the hire and erection of most of our scaffolding requirements as well as propping of concrete slabs and decks, along with site fence hire.

We wish to compliment you on your service and pricing. As you are aware the timing of construction projects is critical so it extremely important that scaffolding and propping is done on time with then greatest efficiency. You have proven to us over and again that the promises that you make are kept, and this along with your competitive pricing keeps us coming back for more. Keep up the good work!

Yours Faithfully,

John Smithies
